RE: Variance/Special Permit Application of
James and Jeanne Alvarez
7 Aileen Terrace

Dear Mr. Sanborn,

The Public Hearing in connection with the above was continued from April 10 to April 24, 2003. The Applicants are in the midst of discussions with an immediate abutter who acquired title to his property last Friday. Consequently, more time is needed to answer questions and resolve issues which have been raised. Hopefully, an understanding will be reached prior to the next scheduled Zoning Board of Appeals meeting.

Consequently, request is hereby made that the Public Hearing be continued to the next scheduled meeting of the Board which I believe is May 8, 2003. In this regard, the Applicants waive the time for Board action on this matter and extend such time to a date sixty (60) days after the close of the Public Hearing.

If you require anything further in this regard, please let me know. I will contact you later today to confirm that my presence at the Public Hearing on behalf of the Applicants will not be required this evening.

Very truly yours,

Mark B. Glovsky
